God so Loved the World, that HE Gave HIS Only Begotten SON... John 3:16

FoNAC is in our 8<sup>th</sup> year of formal ministry. The first few years were devoted to introduction and securing funding for basic operations. Next we entered into a partnership with the North American Mission Board, of the SBC in which FoNAC was to serve as a clearinghouse (an agency or organization which collects and distributes something, especially information), which has worked well for all concerned. We have made a good number of contacts and throughout our short tenure have dispersed much information through printed publications, video & telephone conferencing, Baptist Press Releases, Regional conferences. We have interviewed missionaries addressing worldview issues (Dos and Don'ts) with the hopes of establishing a more doctrinally sound, culturally relevant approach to sharing the Gospel of Jesus Christ.

We at FoNAC are so very appreciative of those of you who have recognized that the indigenous people of North America (as well as all of America) are in desperate need of a movement of God, that being said we have always insisted that it's a "God-sized task", without God's Spirit, Word and Family we would be helpless!

This Christmas Season serves as a reminder that the most precious gift known to mankind is the gift made possible by our Heavenly Father, "His Unspeakable Gift" (Isaiah 9:15), for God so loved the world (of people) He gave His only begotten Son, making eternal salvation possible to all who would believe (John 3:16).

With our love and appreciation,

Fellowship of Native American Christians,

Gary Hawkins, Exec. Director
